

God's Story

Let there be light

Genesis 1: 1-3 In the beginning God created the heavens and the earth. 2Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters. 3And God said, **“Let there be light,”**

God's Creation

Psalm 139:13-14 ∨ New International Version ∨

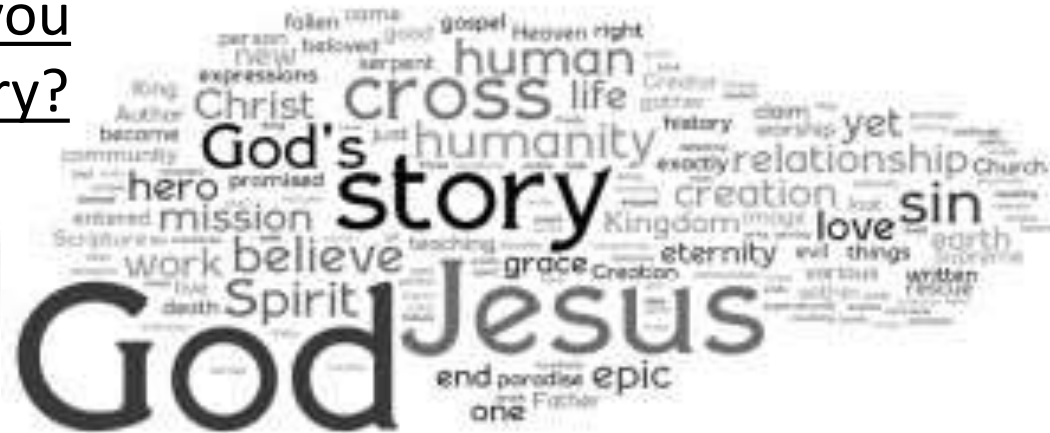

13 For you created my inmost being;
you knit me together in my mother's womb.

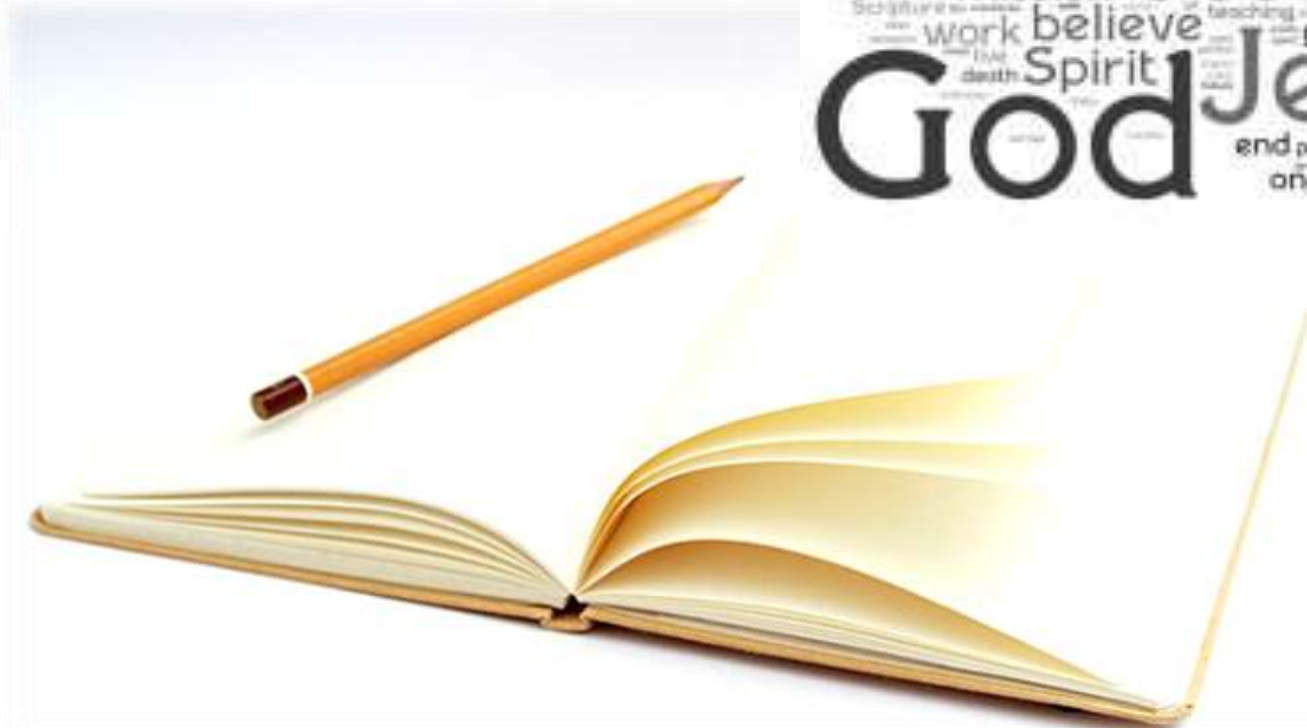

14 I praise you because I am fearfully and wonderfully made;
your works are wonderful,
I know that full well.

BE AMAZED

Sloths are so slow that they move only about 61/2 feet per minute. Even their tummies are slow, taking an average of 16 days to digest the twigs, fruits, leaves, bugs, lizards, and birds they eat. They spend almost their entire lives hanging upside down in the trees—coming down only once a week or so to poop. *Ick!*
