Review on belief:

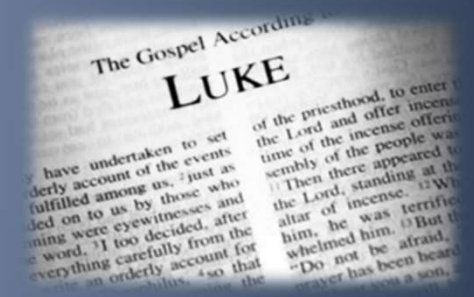

- › Christians believe that God created EVERYTHING. Not that we are an accident or that everything came from nothing.
- › The Bible is an accurate, historical document verified by many historians, archeologists, and non-Christian sources.
- › Jesus was a real person. Many non-Christians testified to His life. And it is not reasonable to think that He was not a real person with so many witnesses to His life.

“In the beginning
God created
the heaven
and the earth

Was Jesus just a good guy, or a wise teacher?

- › The Gospels say Jesus claimed to be **One With God**:
 - John 14.6 : I am the way the truth and the life. No one comes to the father except through me.
 - If Jesus knew He really was not the living God, He would not have been a good person, he would have been lying to people. But...
 - › He knew He was God's son.
 - › He knew He was the one talked about in the Old Testament.
 - › And He knew He was sent to be the savior of our sinful world for you and me.
